Dear NASPA Executive Committee,

Attached to this email is my appeal for the September 2022 decision of the Advisory Board to suspend me, a statement on my behalf by Scott Appel, and a link to a zip file which includes the full history of my communication relevant to the case.

Please be advised that Clifford Davidson is no longer representing me. I am now being represented by Marc Mohan, who can be reached at marc@veritelawcompany.com

Sincerely,
David Koenig
