**RE Case No. 23CV15424**

Last month we notified you that we had concerns that your client was withholding responsive communications that he had made about this lawsuit after you filed it. You later confirmed that your client had in fact made communications about this lawsuit without your knowledge.

Please see the attached email, currently designated confidential and attorney's eyes only. If true, the email further substantiates our ongoing concerns about your client's wrongful use of this civil proceeding, and raises new concerns of tampering and fraud. If true, the email also establishes that your client has waived attorney-client privilege pertaining to the subject matter of this litigation.

Assuming you continue to represent the plaintiff in this matter, please let us know your availability to confer next week. Thank you.

Sincerely,

s/ Michael Fuller  
Partner
