19 **DECLARATION**

20 I, David Koenig, declare the following under penalty of perjury:

21 1. This declaration sets forth facts as would be admissible in evidence, and I am competent
22 to testify to the matters stated.

23 2. In 2014 through 2016, while Jennifer Clinchy was working for the White House Office of
24 Science and Technology Policy and while she and I were romantically involved, on many
25 occasions she used her connections at work to arrange for gifts to be mailed to me from
26 the White House and for us to attend special events at or connected to the White House.

27 3. Among these gifts were:

28 a. A 2014 birthday letter from President Obama and a photo of him. (Bates
29 #463-464)

30 b. A 2014 holiday card from the Obama family (Bates #465)

- 1 c. A 2015 holiday card from the Obama family (Bates #466)
- 2 4. Among these special events that Jennifer Clinchy and I attended together were:
- 3 a. A tour of the White House
- 4 b. The 2015 White House Garden Tour (Bates #467)
- 5 c. Seating in the Presidential Box at the John F. Kennedy Center for the Royal
- 6 Swedish Ballet (Bates #469)
- 7 d. The 2016 National Inventors Hall of Fame Induction Ceremony (Bates #470)

10 CLINCHY’S RESPONSES TO PLAINTIFF’S REQUESTS FOR ADMISSION, which

11 included the following at page 3, lines 21-28:

12

13 *REQUEST NO. 9: Prior to 2022, you had never contacted law*

14 *enforcement in any way regarding Plaintiff.*

15 *RESPONSE: Objections: form, undefined terms. Notwithstanding the*

16 *objections, reasonable inquiry has been made and the information known or*

17 *readily obtainable by defendant is insufficient to enable defendant to admit or*

18 *deny without knowing the definition of the vague term “law enforcement.”*

19

20 6. On June 28th, 2023 Michael Fuller filed in the court DEFENDANT JENNIFER

21 CLINCHY’S RESPONSES TO PLAINTIFF’S MOTION TO DETERMINE

22 SUFFICIENCY, which included the following at page 6, lines 2-10:

23

Request 9 pertains to whether defendant ever contacted law enforcement in any way regarding plaintiff. Again, law enforcement may simply mean a local police department, but it may instead mean federal officials, both of whom defendant has contacted regarding plaintiff. Defendant should not be required to guess at a response to this vague and unclear request, nor should defendant be required to provide an explanation. Defendant’s objection should be sustained.

7. Request 9 specifically begins with the words “Prior to 2022” but Jennifer Clinchy omits that from her analysis in item 6.

8. Both of the following statements of the plaintiff’s beliefs pertain to the sentence, “*Again, law enforcement may simply mean a local police department, but it may instead mean federal officials, both of whom defendant has contacted regarding plaintiff.*”

9. I believe that Jennifer’s claim in the sentence in item 8 that she contacted a local police department regarding plaintiff refers only to her actions in 2022 or later, and not to anything prior to 2022.

10. I believe that Jennifer’s claim in the sentence in item 8 that she contacted federal officials regarding plaintiff refers only to her actions in arranging gifts and attendance at special events such as those listed in items 3 and 4 of this declaration, and does not refer to making any complaints about my behavior.

11. In section 7 of JENNIFER CLINCHY’S SPECIAL MOTION TO STRIKE, (p.5-7) filed by Michael Fuller on August 3rd, 2023, defendant accuses the plaintiff of “Bad Faith Litigation Conduct.”
